Martin Luther King, Jr. Day

Breakfast at 9:30 am**

*"An individual has not started living until he can rise above the narrow confines of his individualistic concerns to the broader concerns of all humanity" - Dr. Martin Luther King, Jr.*

For 88 years, the Millionair Club Charity has been providing meals, jobs and dignity to the poor, homeless and near homeless of Seattle and King County.

In recognition of the diversity of the population that we serve and the historical underpinnings that have led men and women of every culture to our doors, the Millionair Club is hosting a MLK day of reflection. Breakfast will be served, followed by a keynote address from James Bible, president of the Seattle King County NAACP.

This event will be held in the same dining hall of our building that is filled each day by the men and women in our community hoping for a brighter tomorrow.

It is our honor to extend an invitation to you to join us as we reflect on our past and build toward a better future.
